YOU TRAVEL-OR WILL

If not today, then tomorrow. There is quality
in railway travel as in everything else.
Speed, safety and time are the essentials. The
M. K. & T. Ry. has that quality. I want you to
know of it. Try it and be convinced. At this
time of the year you are probably thinking
about a winter trip. I suggest the Gulf Coast
of Texas, San Antonio, Old Mexico or Califor-
nia, as being about as nearly perfect as cli-
mate and environment can make them. I
have some very attractive literature about
these resorts that I'd like to send you. May
I? I'd rather talk to you, but if this is im-
possible, drop me a line and I'll be pleased to
give you all the desired information. There
are some special inducements, too. In the way
of rates and through Katy sleepers that I'd
like you to know about. Write today.

colds from the system by gently mov-
ing the bowels. It is pleasant to take

No More Stomach Troubles

All stomach trouble is removed by the
use of Kodol Dyspepsia Cure. It gives
the stomach perfect rest by digesting
what you eat without the stomach's
aid. The food builds up the body, the
rest restores the stomach to health.
You don't have to diet yourself when
taking Kodol Dyspepsia Cure. J. D.
Erskine, of Alienville, Mich., says: "I
suffered heartburn and stomach trou-
ble for some time. My sister-in-law
has had the same trouble and was not
able to eat for six weeks. She lived
entirely on warm water. After taking
two bottles of Kodol Dyspepsia Cure
she was entirely cured. She now eats
heartily and is in good health. I am
glad to say Kodol gave me instant re-
lief." At People's drug store. dw
